

Private Label Packaging

Icelandirect provides quality private labeling for softgels, gelcaps, caplets, tablets and capsules in plastic or glass bottles and liquids in glass or plastic bottles, utilizing a wide variety of caps, pumps, and seals. We are also strongly committed to providing customers with green, eco-friendly, sustainable packaging. Our fully green option gives clients a strong marketing advantage with environmentally conscious consumers.

Packaging Options

At Icelandirect, we offer an assortment of containers and closures in order to bring our customer's original product from just a conception to a creation. Our stock selection of bottles and closures include a variety of different styles, colors, and materials.
